

Collaboration and communication are major challenges in science. We go to great length to support our scientific stuff and offer usable solutions. Feedback and suggestions are appreciated via [mail](#).

Mobile Speakerphone

For group voice-chats we have a speakerphone ready for you in 3W05. It's basically a high quality microphone with speakers that you may use for phone calls and VoIP applications.

Android devices can pair the speakerphone using Bluetooth. Notebooks and desktop computers can use the device via USB or headphone-jack.

Don't hesitate to stop by at 3W05 and borrow it for a test call.

Digital Camera

Ask in the department office (3W01) if you want to borrow a high quality photo camera. (Nikon D3000, 18-105 mm)

Projectors

We have units stored in the department office (3W01).

Optoma EH1020

FullHD DLP Projector, 3000 ANSI Lumen, 2200:1, ~3 kg, Input: HDMI, VGA. It's the same unit that is mounted in 3W04.

NEC NP905

1024×768 LCD Projector, 3000 ANSI Lumen, 500:1, ~4 kg, Input: HDMI, VGA.
