

Thunderbird Setup

Mail

Add a new account

Welcome to Thunderbird

Would you like a new email address?

Your name, or nickname

Search

In partnership with several providers, Thunderbird can offer you a new email account. Just fill in your first and last name, or any other words you'd like, in the fields above to get started.

☒ 

gandi.net

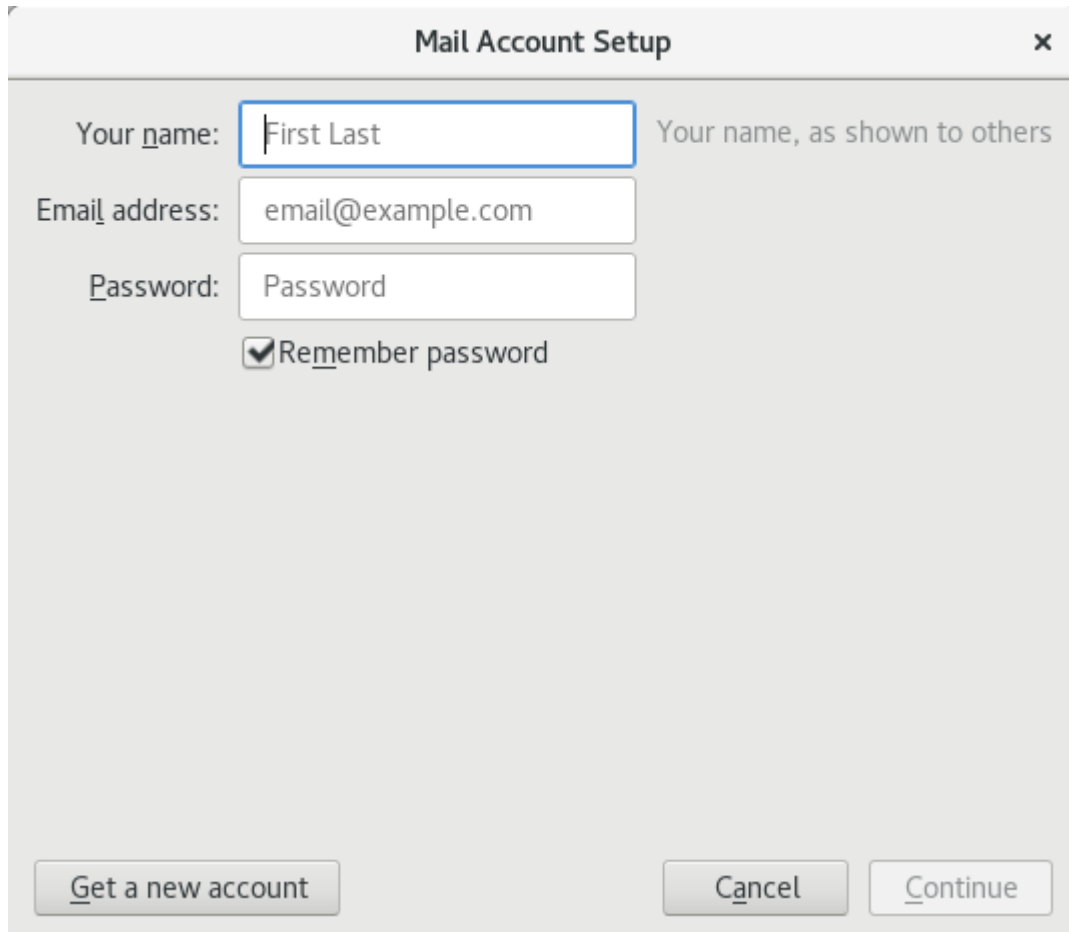

The search terms used are sent to Mozilla ([Privacy Policy](#)) and to 3rd party email providers gandi.net ([Privacy Policy](#), [Terms of Service](#)) to find available email addresses.

Skip this and use my existing email

I think I'll configure my account later.

IFI Wiki - <https://ifi-wiki.uibk.ac.at/>

A screenshot of the 'Mail Account Setup' dialog box in Thunderbird. The dialog has a title bar with the text 'Mail Account Setup' and a close button (X). Inside, there are three input fields: 'Your name:' with the text 'First Last', 'Email address:' with the text 'email@example.com', and 'Password:' with the text 'Password'. To the right of the 'Your name:' field is the text 'Your name, as shown to others'. Below the password field is a checked checkbox labeled 'Remember password'. At the bottom, there are three buttons: 'Get a new account', 'Cancel', and 'Continue'.

Fill in these spaces:

Description	What to fill in	Notes
Your Name	First and last name, e.g. John Doe	use ue instead of ü etc.
Email address	Your official University Email address, eg. John.Doe@uibk.ac.at	can be taken from your "Benutzerbewilligung"
Password	can be taken from your "Benutzerbewilligung"	

Press *continue*

Thunderbird is trying to find the right settings but it will not find them, so immediately click *manual config*

Mail Account Setup

Your name: Your name, as shown to others

Email address:

Password: ☒ Remember password

Incoming: **IMAP** **1143** **SSL/TLS** **Normal password**

Outgoing: **SMTP** **1025** **SSL/TLS** **Normal password**

Username: Incoming: Outgoing:

[Get a new account](#) [Advanced config](#) [Cancel](#) [Re-test](#) [Done](#)

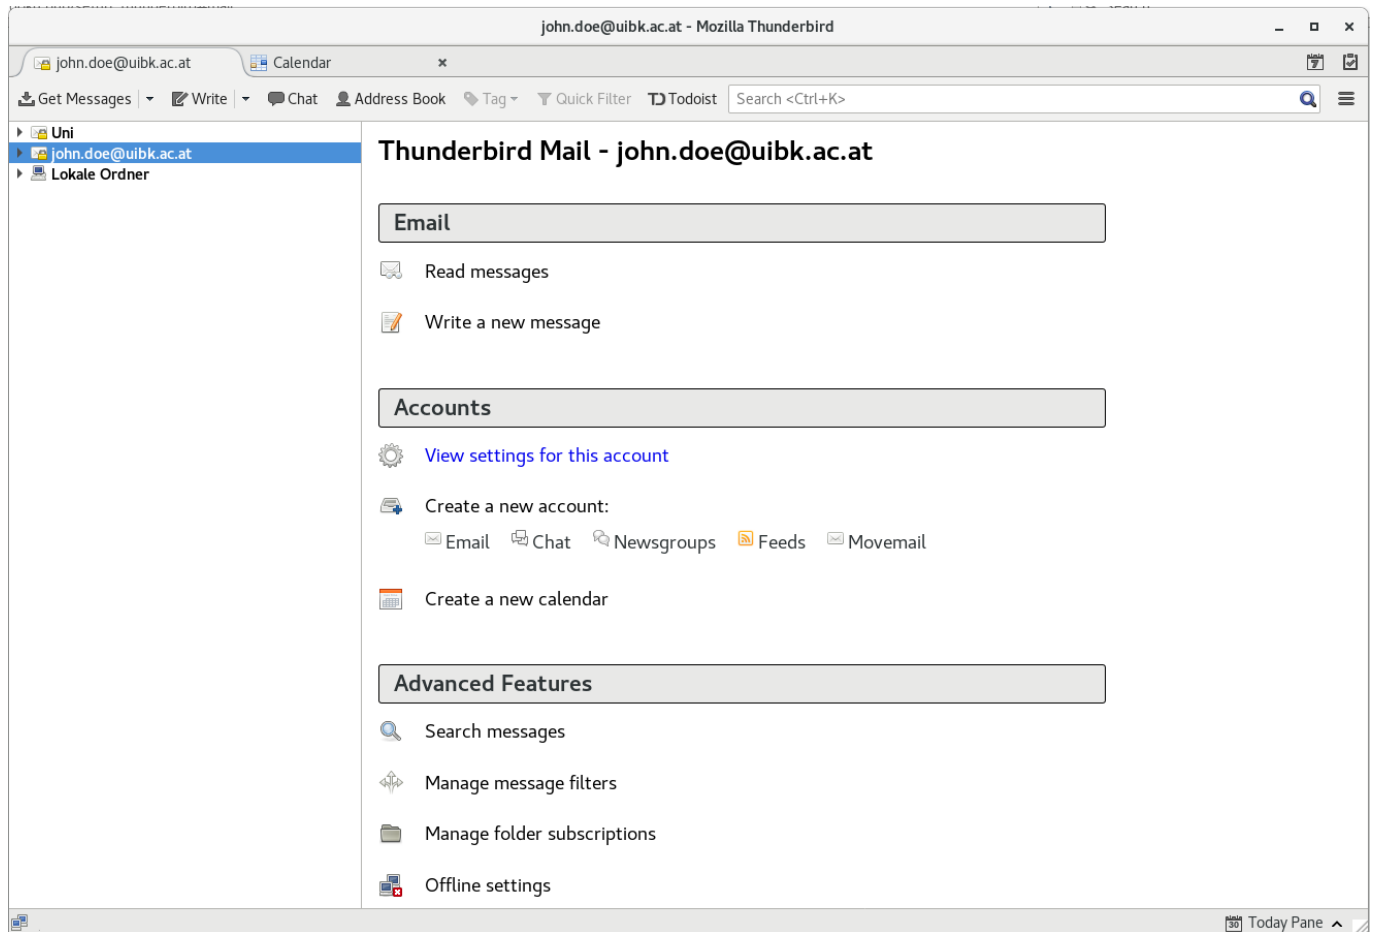

Once again fill these spaces:

Description	What to fill in	Notes
Username	Your c number	can be taken from your "Benutzerbewilligung"
Server hostname	138.232.65.244	incoming and outgoing are identical
Port (IMAP)	1143	
Port (SMTP)	1025	
SSL	SSL/TLS	
Authentication	Normal password	

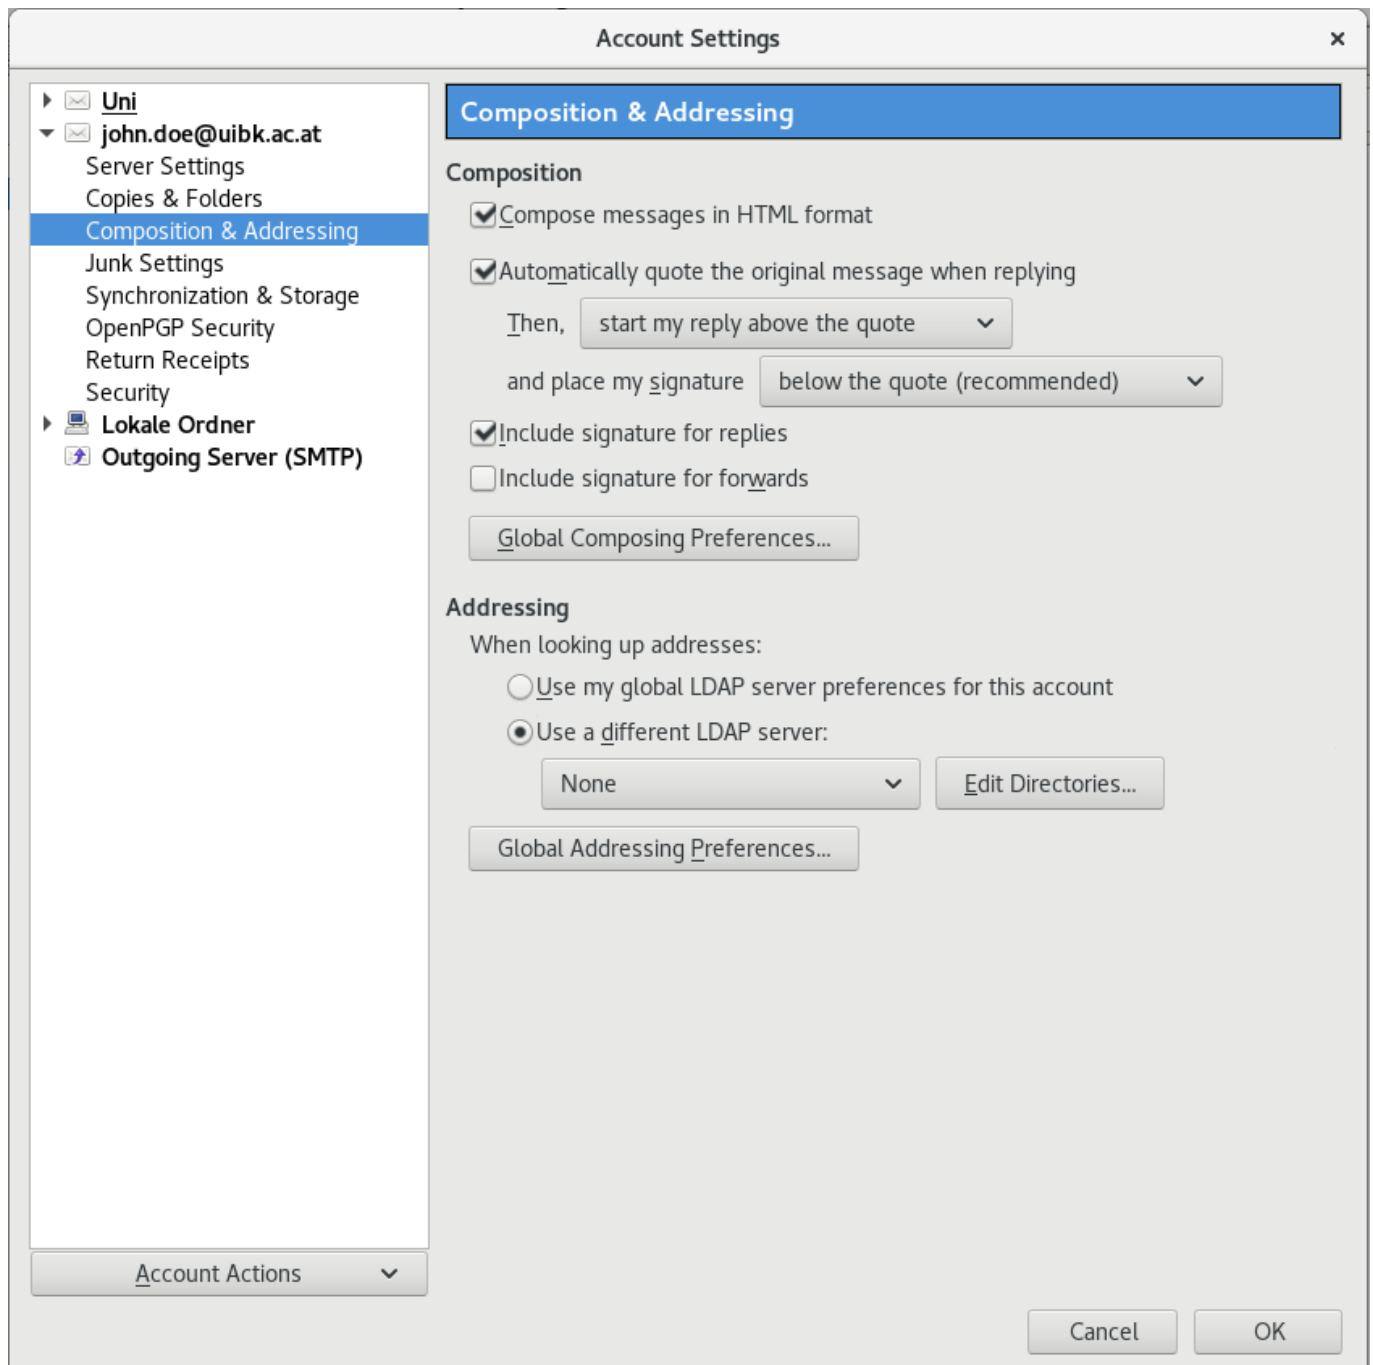

Double check your entered infos, and click *Done*

Your Mail Address is now configured.

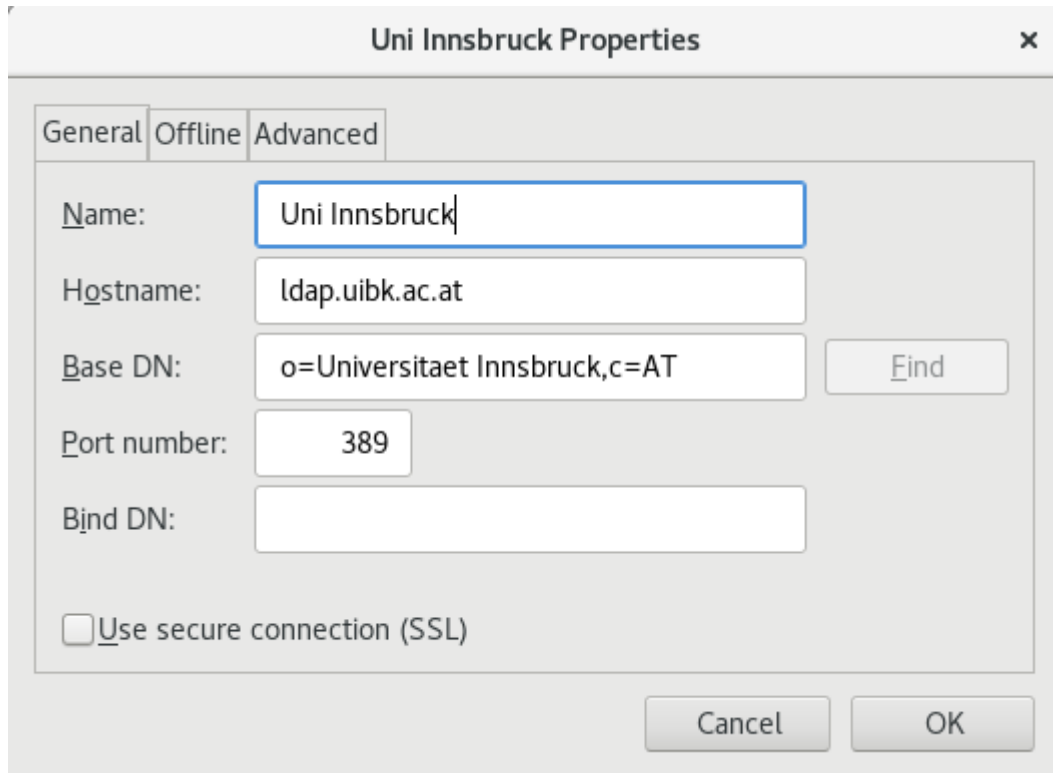

LDAP

Click on *View settings for this account*

Under *Composition & Addressing* click *Edit Directories...*

Email	Which Email you want to link to this calendar	

Now click *Next* and finish the calendar setup.

S/MIME

Creating your Certificate

Visit the [DigiCert SSO Portal](#) and choose the University of Innsbruck

The screenshot shows the DigiCert CERTCENTRAL IDP Selection page. At the top, there is a blue header with the DigiCert and CERTCENTRAL logos. Below the header, the title "IDP Selection" is displayed in a large, dark font. The main content area has a light gray background and contains the text "Please enter the Identity Provider to authenticate with:". Below this text is a search input field containing the text "University of Innsbruck". Below the input field is a button with the text "University of Innsbruck" in blue, which is highlighted as the selected option.

Next, login with your c-number

The screenshot shows the University of Innsbruck Web Single Sign-On page. The background features a large, faint seal of the University of Innsbruck. At the top, the University of Innsbruck logo is displayed, followed by the text "DE | EN". Below this, the title "Web Single Sign-On" is shown, followed by the text "Sign in with your University of Innsbruck Account for GÉANT Trusted Certificate Service (TCS)". There are two input fields: the first is labeled "benutzername" and the second is a password field with dots. Below the input fields are two links: "Privacy" and "Need Help?". A large blue "Login" button is centered below the links. At the bottom, the text "University of Innsbruck | Privacy | Imprint" is displayed.

After that select **Premium** as Product, a Validity Period (1-3 Years) and click "Request Certificate"

digicert® | CERTCENTRAL®

Request a Certificate

Choose a product

Product: **Schritt 1** → **Premium**

Validity Period: 1 Year

CSR: (optional)

Common Name: Vorname Nachname

Email: vorn.nachn @uibk.ac.at

Organization: Universität Innsbruck

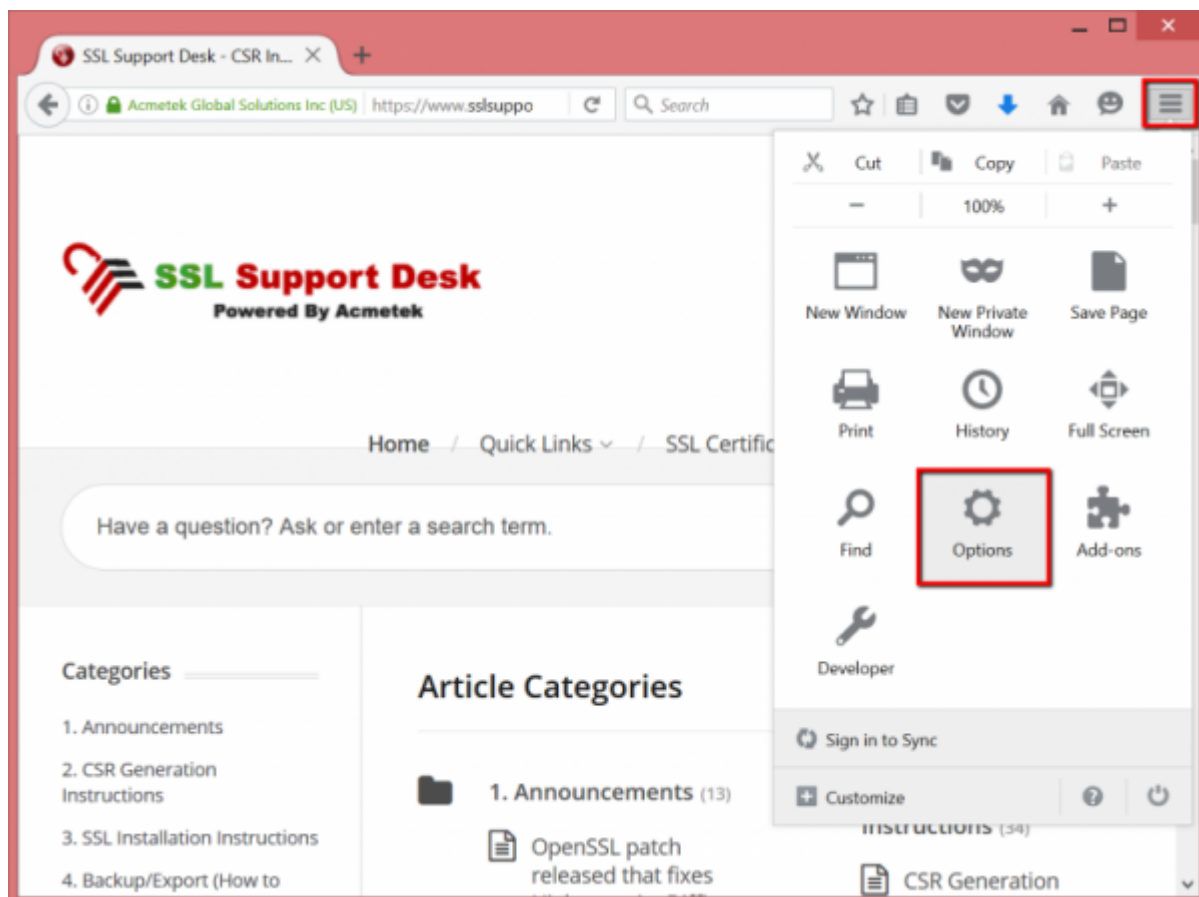

Schritt 2 → **Request Certificate**

Exporting the Certificate (Firefox)

In the upper right of your Firefox browser click

Click **Options**

Using your Certificate with Thunderbird
